

Webster Groves Public Library
Building Committee Meeting Notes
December 1, 2009

I. Call to order

The meeting was called to order at 7:00. Present: Bill Kuc, Nancy Marshall, Ann Bolger, Debbie Ladd, Jackie Brenne, Paige Shaw, Stephanie Dents, Bethany Curtis, Tom Reedy, Jenny Gossow, Elise Fortman, Bob Moody, Laura Wehrenberg, Glenn Seitz, Tom Cooper

II. Update on Schematic Design from Bill Bowersox and Fred Powers

Bill Bowersox and Fred Powers from Powers Bowersox Associates presented their work to date on a schematic design for the library's expansion. There were several questions and comments from the committee, mostly centering on:

- Size and availability of staff work areas
- Placement of the children's room
- Nature of exterior building treatments
- Drive entry and exit
- Sensitivity to surrounding neighbors

The architects hope to complete their work on a schematic design by early January. Much of their current proposal rests on the feasibility of adding a partial lower level, and affording that much additional space within the library's budget.

III. Adjournment

The meeting adjourned at 8:15 p.m.
