Correspondence
Mr. Cooper read a letter from Margret Sowash, president of Webster Park Association. In it, Ms. Sowash expressed the Park Association Board’s wish that the Library Board ‘expedite the sale of #5 Mason and restore it as a private residence.’ While she acknowledged that a sale at the prices currently being offered would mean a large loss, maintaining the house is an ongoing expense, and it makes sense to realize whatever revenue it might generate, ‘allowing both the Library and the community to benefit from its sale’

President’s Report
Mr. Reedy recapped recent activity concerning sale of the Mason house. He reminded trustees to pay their Friends of the Library dues. He noted that he would appoint Mr. Ruger as head of the Policy Committee, and Mr. Green as head of the Building and Grounds Committee. He also noted that after recent discussions with our insurance broker, he finds it unnecessary to pursue separate flood insurance for our temporary building.

Librarian’s Report
Mr. Cooper said there would be a street project along Brentwood Blvd. running from April through June. He passed out a revised January financial report, in which a mistake had been corrected. He also mentioned that he and Business Manager Elise Fortman had begun work on the Fiscal Year 2011-2011 Budget, and would be asking to convene the Finance Committee soon to review it.

**Finance**
Mr. Herdler reviewed the financial report and disbursements for February, 2011. But there was no quorum present to approve.

Mr. Herdler also spoke about his wish that future financial reports begin noting our fund balance, so we could start focusing on building an adequate reserve for tax anticipation. This is with a long-range view to passing a financially healthy library on to the next Board.

He also hopes that with sound financial management at this time, we can realize the savings from our building project that will enable us to retire the bonds early.
