JOIN THE FRIENDS OF THE WEBSTER GROVES PUBLIC LIBRARY

The wisest mind has something yet to learn.

George Santayana

Message from the Director

Our Friends of the Library group is our partner. When asked about how to help the Library, I always say to join the Friends. It's the easiest way to make a difference.

In the last year the Library has experienced:

- 1200 new Library users
- Continuing leadership in the Municipal Library Consortium
- Continuing investment in e-books and downloadable audiobooks
- Growing use of free downloadable magazines
- More adult programming, including poetry readings, musical events, and writing classes
- More visits from local and nationally-known authors
- Three adult book discussion groups each month
- Summer reading programs for kids, teens, and adults
- Computer instruction in classroom or one-on-one settings
- Regular events for kids from baby story times to monthly gatherings of the Teen Advisory Board
- Special programming for kids, like the *Whiskers & Tales* evenings, Minecraft Club, Legomania, and more

Tom Cooper, MLIS

Mission

Dedicated to community outreach through expanded use of the Library and its resources.

Goals

- Help the Library increase and extend its collections and services
- Encourage community volunteers
- Provide financial support for the Library
- Promote the vision of the Library
- Ensure technology resources for all

The Friends of the Webster Groves Public Library is a non-profit 501c (3) organization. Contributions are tax deductible to the extent allowed by law.

Membership Application

Complete the form and send along with your check or drop off at the Library:

Friends of the Webster Groves Public Library
301 East Lockwood Ave
Webster Groves, MO 63119

Your Friends membership of $15 or more helps support the activities of the Library.

- $35 helps buy a large print book
- $50 helps support children's summer reading program
- $50 helps maintenance of the Reading Garden and landscaping
- $100 provides book club kit
- $250 supports ongoing art restoration
