As youth matures, the real meaning of Honor becomes apparent: it is doing what the individual knows to be right. Honor does not change. It is and has been down through the ages an adherence to high personal goals and ideals, and a fulfillment of one’s own aspirations with constant regard to conscience and integrity.

It is to Honor that The Echo of 1963 is dedicated.

Webster Groves High School

Webster Groves High School is located in a middle class suburban community of St. Louis, and has a school district population of 40,000. In the twelve elementary schools, two junior high schools, and the one senior high school, there is a total enrollment of 7794 students, with 1641 in the senior high.

Webster Senior High has been a member of the North Central Association since 1906 and is among the 18% of the schools in Missouri with an AAA rating. With an approximate student-teacher ratio of 20-1, there are 84 full-time staff members, of which 16% have an M.A. degree plus, 39% have an M.A. degree, 6% have an A.B. degree plus, and 25% have an A.B. degree.

There are 70 units offered with a 3.25 grade average necessary out of a possible 4.00 to be an honor graduate.

Webster students are college minded: between 75% and 80% of the senior class enroll in colleges each year. Approximately 10% are accepted in highly selective Colleges.

The 1962-1963 Student Council has effectively carried out its duties of dealing with the problems of the students of the school. Every other day during the fifth period the council met under the leadership of Bob Trotter, student body president.

The work was divided among committees which were under the direction of various senior members of the council. The success of the Magazine Sales Campaign, the Pancake Day, the Student Council Dance, the sports presentations, and all the assemblies has shown the efficiency of this system.

The council again sponsored a foreign student, Giselle Monge, from Costa Rica. As a member of the council, Giselle was able to learn much about student government.

The council has been an active member of the Suburban Association of Student Councils since 1945. Through this organization Webster is able to learn about the governing bodies of other schools and to develop new ideas in Webster's council.
Webster High is one of the very few schools in this area in which students have been given the right to govern their own conduct under an Honor System. The rules of this system are stated in specific terms in the Honor Code.

Violators of the code are referred to the Student Guidance Council. This council, led by the Student Body Vice President, Bob Drake, was again composed of six other members—the student body president, three seniors, one junior, and one sophomore. The members of the council endeavored to explain to each of the offenders the importance of an effective Honor Code—one unanimously respected and supported.

To improve student support for and interest in the Honor System several assemblies and discussions were held, at which times students volunteered their plans for improving the system. The result of these meetings was a new understanding and enthusiasm in our Honor System.
Each class graduating from Webster High is distinctive and separate and makes its own individual contribution to the school and school life. It is through these contributions in the field of knowledge that each student gains a better understanding of his classmates and is instilled with a finer sense of honor in relation to other students.

Foreign Student Program

When Giselle Monge-Urpi arrived in Webster Groves in August, a year of Student Council and student body work for supporting the foreign student program was climax ed.

Giselle, who lives with her American family, the Webbers, comes from Palmares, a city in Costa Rica where she was attending the College of Palmares, comparable to a small high school in the United States. She spent her sophomore and junior years at J. J. Vargas Calvo College in San Jose, the capital of Costa Rica. While attending the college she studied 14 subjects including English, religion, and mathematics, her favorite subject.

Studying hard, Giselle has accomplished much with her studies here which included English, American History, trigonometry and public speaking.

Giselle also has taken an active part in many extra-curricular activities. She is a member of Student Council, G.A.A., Pep Club, Spanish Club, and Tri Hi Y. In Costa Rica she was kept busy with a secretarial job, secretary of the senior class cabinet and a member of Palmar e's "Young Peoples' Club."

Giselle, the students of Webster High hope that your stay has been happy and rewarding and that you will return to Costa Rica with fond memories of your stay in Webster Groves.

American Field Service

A.F.S. stands for the American Field Service. Founded in 1915 as an emergency ambulance corps, it has now become the international exchange of students at the high school level. The purpose of the program is better understanding among the countries of the world.

In 1959 Webster began its affiliation with the A.F.S. program. Supported by the student body and the administration, the program is under the direction of a student council committee. Each year the Student Council chooses a country from which they want a student. Niels Bo Paulsen from Denmark, Eva Volke from Germany, Vatan Barlas from Turkey, and Giselle Monge-Urpi from Costa Rica have been Webster's foreign guests.

Not only do students from other countries come to Webster, but also students from Webster visit foreign countries. The students may go on the summer program—spending July and August with the host family—or they may spend either one term or a full school year in a foreign country. Mary Rankin went to Finland on the summer program in 1960, and the same year Dave Hopmann went to Norway for one term. Nancy Self went to France in the summer of 1961.

Extracurricular activities with their diversity of interests contribute to the making of a well-rounded student. In addition to providing variation in school life, organizations and clubs also make possible a better understanding of group cooperation and provide opportunity for experience in leadership responsibilities and the practice of the idea of honor.
The year-round efforts of the advertising, writing, editing, managing, and selling groups of THE ECHO staff were combined to produce a considerably new and different edition of THE ECHO for 1963. Among the changes are larger senior pictures and more informal activities pictures.

To help meet the costs of publication, all staff members sold candy at the football games, Turkey Day buttons, and subscriptions to the book.

THE ECHO staff class is an informal one; several parties were given throughout the year for such occasions as Christmas, Valentine’s Day and birthdays.

The main social activity for which THE ECHO staff is responsible is the Echo Coronation Dance which is held in the spring.
In THE WEBSTER ECHO, which is the school newspaper, several changes were made this year because of the small size of its staff. The number of page editors was cut from seven to four, and some other jobs were combined or shared by staff members. Although it meant more work, this compactness eliminated much confusion and helped the staff operate more efficiently.

Advertising and subscriptions provided for most of the financial needs, but rummage and cookie sales were used as supplementary resources. Two other main projects of the staff were the Paper Doll Prom and the programs for the Turkey Day Game with Kirkwood.
The journalism class was formed in the spring of 1962 and the members spent the summer preparing for their class. In J-class, these future staff members learned the fundamentals of good newspaper writing. The class, in fact, wrote most of the articles for the school newspaper during class instruction, and the WEBSTER ECHO staff members then edited them for the final edition.

The J-class aided the staff in other ways by helping with Paper Doll Prom, by raising money through rummage sales, and by providing entertainment for the Alum Tea in December. The enthusiasm and energy of these students also helped the WEBSTER ECHO in their success at the MIPA convention in Columbia.

All of this work and fun was in preparation for the time when the J-class would become the WEBSTER ECHO staff members. It has become the tradition of the J-class to publish the last issue of the WEBSTER ECHO in May.
Twice a month the members of the German Club get together to learn about and enjoy German culture through beautiful and informative German movies, hearty German songs, and excitingly-interesting German games.

One project the members have continued for a few years is "Operation Letter-Writing" through which these German students correspond with young people in East German, West Germany, and Switzerland. It has produced quite a few "Air-Mail Friendships."

The club gives its members a chance to use their special abilities by acting in plays, leading singing sessions, taking part in conversation with guests, or just plain entertaining the other club members.
The purpose of the Russian Club is to acquaint the students with the Russian culture and literature, and to try to get an understanding of the reasons why the Russians react the way they do in their environment. At one meeting this year the club had a speaker who had been an exchange student in Russia. He showed them slides and spoke to them about his trip. The Russian Club plans to have a coin collection display of both old and new coins at one meeting. Several cookie sales were held during the year to enable the club to buy Russian books. At the end of the year there will be a party and the members hope to visit a Russian church in St. Louis to learn about Russian architecture.

Providing an opportunity outside of class for students to pursue interesting topics in mathematics in the purpose of Mu Alpha Theta. There is one business meeting a year, and the rest are program meetings with a variety of speakers. The club invites these speakers from the St. Louis area to speak on interesting math topics, which are not covered in classroom textbooks.

Math Club also sponsors a tutoring service on Tuesdays and Thursdays for interested students. The money from this is spent on building up a good mathematics library for the club which provides reading opportunities in excellent math books.

The Youth For Christ Bible Club, a non-denominational organization, met every Wednesday morning at 7:30. Its purpose was to give guidance, inspiration, and fellowship to its student members. The meetings included programs given either by members or by visiting lay or ministerial speakers who spoke on such topics as colleges and missionaries. Also some clever skits were presented by the members.

Occasionally on Saturdays, Y.F.C. rallies were held for clubs in the county area. The club also had a Bible Quiz Team which challenged teams from other clubs for the regional championship and a chance to enter the national meet.

The Bible tells us so
True to their purpose of developing skills in horsemanship, the club went on several trips to Missouri Stables, Babler State Park, and Valley Mount for regular riding. In addition to formal rides the group planned a spring picnic which included swimming and games and ended in enthusiastic riding. Their later picnic in Forest Park provided a delightful and busy time for everybody.

Their informal Christmas Party, as well as their trips, required certain financing. Instead of paying dues at regular meetings, the Riding Club preferred to have money-making projects, such as bake sales or cookie sales, in order to raise the necessary funds.
The Light Crew was kept very busy maintaining Webster High’s extensive electrical and lighting equipment. Working most of the time behind the scenes, the group cared for and operated all lights for assemblies, plays, dances and any other function requiring their attention. This was certainly enjoyed and appreciated by all the students.

In addition, the Light Crew provided the lighting for community functions such as Kiwanis Kapers, the Symphony concerts, the annual Vespers, and Spring Program.

The work of the girls who serve as office assistants should be greatly appreciated for they assist in the operation of an efficient communications system at Webster High School. Under the leadership of Miss Bopp, their duties include distributing the daily announcement sheets, collecting the hourly attendance slips, and delivering any announcements, messages, or request slips which the office may send out.

A prospective office assistant must have better than a C average and a daily study hall which she is willing to give up. It is also necessary that she be a trustworthy and responsible person.

Besides the satisfaction gained from giving the school their valuable help, they also acquire experience which may help them find a summer job or prepare them for a good position in the business world.

Thanks to the A.V.O. Webster students gladly spent usually tedious hours relaxing while learning from audio-visual education. A.V.O. operators donated their study halls and extra hours throughout the year for the benefit of other students.

In addition, A.V.O. members gave Webster other services such as repairs on faulty equipment, necessary setups for assemblies and pep rallies, and the installation of new sound systems throughout the school.

Student Librarians

Searching out books, collecting fines, shelving and checking reading materials in and out of the library were a few of the many daily activities of the student librarians.

These students not only gave up free hours during the day but often spent time after school helping Miss Bynum and Mrs. Bowden.

The group, which met twice a month, was rewarded for their time and effort by a Christmas party, an enjoyable annual event.

One of Webster High's largest and most active clubs is the Conventus Latinus. Interesting and informative programs, such as guest speakers, debates by Cicero classes, and even a lively Christmas party, were presented at monthly meetings. To climax the year's activities, a spring banquet was held where all members enjoyed excellent food and entertaining skits. Cookie sales through the year have supplied the club with money for its annual gift to the Farmington Orphanage.

This year a member of the Latin Club, Tom Pope, was president of the Missouri Junior Classical League, and he presided over many other clubs throughout the state.

In February the senior students visited the Farmington Orphanage. There they saw the fine couch in the girls' lounge and some basketball equipment for the boys—the two things being Christmas gifts from the club to the orphanage.

The monthly LATINUS RUMOR, started in 1927, has grown continually through the years. It now has a circulation of over four hundred copies.

As well as being distributed to the Latin students of Webster High, the paper is sent to alumni and interested friends, and is exchanged with twenty other Latin newspapers throughout the country.

Letters from alums, advice from Cartha Marr, jokes, and a Latinized crossword puzzle were some of the traditional articles included in the issues of another year of successful publications.

LATINUS RUMOR was edited by Barbara Brown and Dick Kettenbrink.

All Varsity Pep Club girls were again required to wear their orange Webster sweatshirts in order to sit in the reserved sections at the home games. This created enthusiasm and achieved a unified cheering section for each game. The club started the year with a new plan requiring a twenty-five cent membership fee to pay expenses.

Each week the club made posters publicizing both football and basketball games. For the Turkey Day Game the club again hung the huge orange and black "BEAT KIRKWOOD" banner on the front of the school.

The Pep Club organized a new project with the help of Varsity Club. They had a permanent goal post banner made for the annual Turkey Day Game. This added a lot to the usual Turkey Day spirit.

The Sophomore Pep Club has been extremely active. Acting on many ideas from the club of the year before, it has promoted enthusiasm by installing a representative in each sophomore homeroom to inform the students what the club was doing and to encourage participation at the games. Also it has promoted good sportsmanship by serving cokes to both the home and visiting team after each B Team game.

Under the directions of the Varsity Pep Club, membership cards were issued at the price of 25¢ and new sweatshirts were distributed to members.

Plans were made for the Varsity Pep, Sophomore Pep, and Varsity clubs to join together in the financing of a permanent tarpaulin to hang on the goalposts through which the football team can run when first entering the field. In this way the group was a separate, distinct cheering group and yet a part of the overall sports activities.

"Informing students about teaching as a career" is the purpose of Future Teachers of America.

This objective was fulfilled at the two monthly meetings by the presentation of movies and programs of interest of prospective teachers. The members also participated in panel discussions, visited various schools, including the school for the handicapped, and attended a workshop for all F.T.A. groups in the county.

To end its educational year, the group had two annual spring activities. The first allowed each member to observe the class of her choice in the Webster Groves public school system. The second, which climaxed the year, was the Teacher Recruitment Dinner sponsored by the Board of Education for all seniors who had indicated as interested in teaching.

The main project of the Red Cross Club this year was to build a chest containing all sorts of school supplies, health supplies, and recreational materials as well as First-Aid Kits for people overseas. Cookie sales were held at different times during the year to raise money to buy the wood needed to build the chest. Between November 1st and 9th there was a box placed in each homeroom for students to contribute any extra money they had.

The club also made albums of cartoons which were sent to hospital patients. Another project of the Red Cross was getting any old pieces of gold, silver, or any metal which could be sold, and the money was to be used to buy glasses for people who could not afford them.
The Skating Club was reorganized under the direction of its new president, Barbara Yeager, in an effort to increase Webster's interest in ice skating. Membership requirements are very liberal and no activities or dues are compulsory.

As many of the eighty members as wish to may skate at Steinburg Rink every second and fourth Saturday morning of each month. Each member pays for the activities which he participates in and for his own skating club arm patch. The distinctive black and orange patch denotes each member as a part of Webster's Skating Club.

The redevelopment of the Skating Club has made many high school students more aware and more interested in ice skating.

Although only organized two years ago, the Nurses Club has had many charitable and worthwhile projects. In the fall the club attended an Open House at Depaul Hospital, and during the Christmas holidays the girls gave a party at a center in St. Louis for over 100 underprivileged children.

At various times throughout the year registered and student nurses from hospitals in the area gave interesting speeches to the club concerning careers in nursing.

The club is also applying for membership in the National Future Nurses Club. In order to obtain this goal, the girls held many money-raising projects and completed a charter.

Health Club

If you should happen to be driving past Pancake House on Highway 66 about 6:00 a.m. on a Friday morning, you would probably be surprised to see a huge group of teenagers standing in a circle on the parking lot waving their arms and legs in such a manner as to faintly resemble exercising. This fit-looking group is the Health Club. It is a group seeking physical fitness through early rising, healthy exercise, and a hearty breakfast of such foods as "chocolate-chip, pineapple, or strawberry pancakes."

The Hi-Y Clubs of Webster have as their purpose "to foster Christian ideals and beliefs, and, toward this end they are guided by four C's of the Y.M.C.A." These are clean speech, clean scholarship, clean sportsmanship, and clean living. Each club has its own special program of activities which is divided into five categories: social, educational, service, money-raising, and special events. These activities are designed to give the clubs balance, variety, and depth in their programs. Some of these activities include car-washes, hay-rides, bake sales, and Christmas bazaars. The senior Hi-Y clubs also compile and sell "Buzz" Books every year.

One of the activities of the Y Clubs is the Youth and Government project which is a program of citizenship training and learning about the workings of our government. Each spring representatives from the clubs go to Jefferson City and participate in either the legislative or judicial branches of the program. Another activity is the World Service program through which Y's in foreign countries are helped. The cabinets of each club also go on the Sky Way Farm outing and take part in leadership training and plan programs for the year. Next June the Hi-Y Congress of boys and girls from all over the United States and Canada will meet in Northfield, Minnesota, for the purpose of learning to face problems as young adults.

Spanish Club

The Spanish Club, a combination of the two former Spanish groups, was reorganized this year by a senior group headed by Bob Trotter. This new club had a lot of enthusiasm and initiated several new ideas and activities. Besides regular meetings the club played Spanish bingo and at the end of the year had an original piñata designed and made for a piñata party.

Giselle Monge, Webster's foreign exchange student from Costa Rica brought many new ideas into the club. With her help the club was able to plan several projects concerning exchanges between Costa Rica and Webster, some to be continued by next year's club. Having such a personal interest in Spanish-speaking countries with Giselle as a member, the club was able to create a lot of spirit and fun for all the members.

Thirty-six years ago Webster Groves High School became a charter member of Quill and Scroll, an international honorary journalistic society.

A candidate for membership in Webster’s Chapter must be a member of THE ECHO or THE WEBSTER ECHO staff and must have done outstanding work in one of the fields of writing, editing, and business management. He must also rank in the upper third of his class, must be recommended by the sponsor of his publication, and, finally, must be approved by an officer of the National Chapter.

Invitations for membership are sent out in the spring, and a formal initiation is held a few weeks later for the members and their parents.
The National Forensic League met every other day in the sixth hour debate class to receive instruction in debate, interpretive reading, original and non-original oratory, and extemporaneous speaking.

Various programs of interest were planned throughout the year. There was a general meeting of all the N.F.L. clubs in the county on October 24 to discuss the Common Market. November 15 the Webster group attended a trial at Parkway which was presented by the St. Louis Bar Association. An "extemp" meeting was held on December 6, and the club attended a trophy tournament on December 15. Webster's own sweepstakes Debate Tournament was held in March. Several senior N.F.L. members appeared on the "Junior Town Meeting of the Air" in January.

A Christmas alum party and various other get-togethers were planned for club entertainment and fun meetings.

In presenting a musical or dramatic production, it is necessary to give an honest and accurate interpretation such that the true intended meaning is conveyed to the audience. The Vesper service gives one a picture of the religious side of Christmas, and the dramatics plays present honorably the intended theme of each play.

A Cappella Choir started the year off immediately by learning new songs and reviewing old ones in time to give a program on September 25, the earliest date in the year on which they have ever accepted an engagement. Having carried it off well, they went on to sing for P.T.A.'s and other groups. Late in October they began rehearsing their Christmas songs in preparation for an early Vespers service.

The month of December was filled with many activities including the organizing of caroling groups, Christmas sings at such places as Rotary Club, and the hilarious annual school Fun Assembly complete with a generous Santa Claus.

After Christmas the time was spent rehearsing for the annual spring program. Spring was filled with preparations for the Baccalaureate and Commencement services.

Beginning Choir opened their school year with its traditional get-together, which enables new members and Miss Replogle to become acquainted. The party was held at the home of Beth Graves.

There followed many meetings both early and late in Room 117, where Miss Rep taught the choir proper diction, breath control, and the courteous answer of "Yes, Miss Reptile" to all that she said.

In Vespers the choir sang its traditional carols, "Vigil," and "Come, Marie, Elisabette" after weeks of hard work and rehearsals. Later in the year the choir began to rehearse for the annual spring show from which they received a preview of what would come in the next year in A Cappella. They also acquired much valuable experience concerning choral and theatrical productions.

The rest of the year was spent in learning traditional "choir songs" and new favorites like "Oh, Yes" to which there was an enthusiastic accompaniment of snapping fingers and stamping feet.
December once again contained the annual Christmas Vespers Service, this being the thirty-first consecutive one. For this service the high school auditorium was transformed into a church, in which A Cappella, Beginning, and Boys' choirs sang their beautiful religious hymns. Also participating were the many members of the cast, depicting Biblical characters, who spent much time realistically recreating the shepherd and Nativity scenes.
The Symphonic Band is one of the oldest bands in the St. Louis area. It consists of selected school musicians, is known for its excellent performance, and is under the leadership of Mr. Henry J. Lemcke.

The band started off their busy year by playing for the Band Parents Organization Rally in December. February 8th was the date of the ninth annual "Pops" Concert, which featured a guest artist and was presented for the public. This concert is a very popular and well-attended event in Webster’s Calendar.

They entered the Instrumental Solo-Ensemble Festival in April and came away with many honors. On May 3rd they presented the 38th Annual Spring Concert. The Symphonic Band finished a busy year by playing for the June Graduation exercises of the 1963 class.

Looks like we are short two uniforms!
The Statesmen Band started off the year by marching in the Veiled Prophet parade. This won them fame, as well as some of the money they needed for their new uniforms. Again selling band chocolates, the Statesmen Band hoped to raise enough money to buy badly needed, lighter uniforms. Next fall the new uniforms should be here.

In addition to the usual half-time entertainment at the Turkey Day game and marching in the annual Thanksgiving torch-light parade, the band also marched at the Bellville, the Riverview Gardens, and the Normandy games. This new attraction was enjoyed by all the fans.

Entering various band competitions the Statesmen did very well. At the Instrumental Band Festival in Ladue they again brought back honors for Webster. The Statesmen Band did a lot to improve the spirit and pride of Webster Groves High School.
The stage band, known around Webster as the dance band, was formed several years ago and has been gaining in popularity. The purpose of this band is to teach the students how to play dance music in a professional manner.

The band has performed for several groups. They played for several junior high school dances, private parties, and various P.T.A. meetings and functions.

In May the band again entered a tournament and came away with more honors for Webster.

Bosa Nova, anyone?
The orchestra, consisting mainly of string instruments, planned a busy year. At a Christmas program they performed for an audience of parents and junior school orchestra students. Later in the year the strings and woodwinds joined to form a chamber orchestra for public appearances.

In addition to other activities, the group raised funds to send a member of the orchestra to a special music camp.

Anyone who is interested in any aspect of the theater, such as production or acting, may join the Dramatics Club.

Meetings are held once a month, and the club is responsible for staging every dramatics production which is presented. The responsibilities of this include the building and painting of sets, costuming, make-up, lighting, sound, and publicity. On production nights the members take care of the programs, admissions, and, in general, manage the house.

Other activities include a big Halloween party and cast parties given after every production for anyone working on the play.

Modern Dance Club

Through the diligent exercises of the Modern Dance Club, the members have discovered many new muscles—a truly great feat. Aside from these discoveries, there were many other worthwhile activities. In February the club held a concert in conjunction with the dramatics department, and in May a production with the theme "Four Season" was presented.

Because of the size of the club, the group was divided into a senior club and a junior club. The senior group was only for those who were invited to join it, whereas the junior club was for all interested students.
Thespians is a national honorary society for high school students who demonstrate unusual ability and interest in dramatics. To become a member of Thespians, one must first join the Dramatics Club, and then earn one hundred hours by working on any part of a dramatics production. At least one third of the hours must be earned by doing something other than acting, such as directing, costuming, or make-up.

The Thespians hold initiations twice a year, once in the middle at the semester break and also in May. In the spring they also have an annual formal banquet where the new officers of the next year are installed.

With the purposes of physical development and honor in competition uppermost in its objectives, Webster High has a strong athletics department. Participation in all phases of sport, with a constant effort to improve sportsmanship, is excellent. It is these ideals of physical fitness and honorable sportsmanship that make Webster outstanding in athletics.

Varsity Cheerleaders
Varsity Football

The team worked hard in striving for a winning season. The season started slowly as the Statesmen sandwiched a victory over explosive Ritenour between defeats by two highly rated teams, Belleville and McCluer. Things started to fall into place after that as the Statesmen won five of their last six games. In three successive games the gridmen beat U City, Riverview, and Normandy. In a hard fought game which went down to the last minute of play, the Ladue Rams nipped our team by one point. A victory was gained at Maplewood and the Statesmen took the Frisco Bell in the traditional Thanksgiving Day game against Kirkwood.

Throughout the year the team was led by the running and passing of All-State quarterback, Bill Southworth. He completed 61 passes in 128 attempts to ends Cliff Best and Bob Hale, and half-backs Hugh Taylor and Neale Losse. The Statesmen got steady ground gaining from Lynn Hall, Dale Farmer, and Bob Couch through the holes in the line opened up by Hugh Rayburn, Don Hartman, Mike Jennewein, and Ron Mautz. Standouts on defense were Bill Bland, Tom Brown, and Bob Droegge.

League Record 5-2
Varsity Basketball

The 1962-63 basketball team had good players, excellent depth, and one of the toughest schedules in the area. The schedule included Maplewood, C.B.C., Ritenour, Kirkwood, and Normandy--some of the top ranked teams in the St. Louis area. Nevertheless, Webster had a winning season and placed third in the Normandy Christmas Tournament.

Southworth, Hale, Turner, and Patterson led a short but high scoring front line. Each of the boys scored over twenty points in at least one game during the season. Taylor, Neininger, Stuber, and Wheeler were standouts on the back line. In terms of averages, Southworth led with fifteen points per game. Taylor averaged ten points, Turner averaged nine, and Hale averaged about seven points as did Patterson.

Wrestling

The 1962-63 wrestling team compensated for its lack of experience with spirit and desire. This year for the first time, Coach Bryant has had the assistance of Mr. "Mickey" Stewart. On the whole, the team is composed of underclassmen. This points to a good wrestling team in years to come. The only seniors on the team were Karl Von Rump, a consistent winner, Ron Simmons, and Mike Massey. Ron Mautz had the best individual record on the team. The team competed against such outstanding wrestling power as Ritenour, Affton, and Kirkwood.

The golf team had a fine season, winning seven of eleven matches. The Statesmen defeated Lindberg twice, Vianney twice, and Affton, Clayton, and Brentwood in single matches. They dropped matches to Normandy, Ladue, and lost two contests to Kirkwood. Jim Downey had the low nine-hole average of 40.3. Rick Goldthwaite and Larry Keightly both averaged slightly over 43 strokes per match. Rick Goldthwaite shot a two under par thirty-three against Vianney for the low score of the season.
"The performance of the baseball team has been somewhat disappointing this year," stated baseball coach Richard Schuchardt. "However, I think the team definitely improved toward the end of the season." This last statement reflects the Statesmen's play during the last half of the season when they won seven out of the last eight games. The final league record was five wins and four losses while the overall record was 10-7. The leading hitters were Bill Southworth, Gene Maurer, Gordon Jost, Buck Higgins, and Don Rhodes. Jim Ruhd and Ron Shadwick were our two best pitchers throughout the season.

Ouch!
Swimming

The Webster swim team has not only shown desire and determination but has also shown outstanding ability in that it has won approximately two-thirds of its meets. The team competes against the finest teams in the state and is one of the few teams that is competitive without having its own swimming pool. All Swimming meets are held at other schools, a decided disadvantage.

Sophomore Doug Lonergan, juniors Gary and Bill Willert and seniors Doug Gill, Charley Held and Jim Logie were some of the outstanding swimmers. Rich Lance and Greg High usually took the diving competition. Other seniors that Coach Boyd will miss next year are Bill Barber, Steve Uthoff and Dan McMichael.
The track team had a disappointing season, winning only one of five dual meets and placing second in each of the two triangular meets. Both Mr. Melvin and Mr. Hoffman expressed beliefs that next year’s team would be somewhat better due to the fine junior division performances. Sprinter "Tubby" Walker and high jumper Tom White led the team in points production. Other consistent winners were Tom Brill, Bob Reed, Bill Bischof, Dale Schaeffer, Jim Kern, Jim Blackman, and Bill Bailey. Earl Reeves, Rick Smith, Neale Lorse, and Ron Mautz led the promising junior division.

Tennis

The 1962 tennis team finished the season with a very creditable record of five wins and four losses. The team played some of the finest teams in the state, Ladue and Country Day. The quality of the opposition is reflected in the fact that both our number one singles player, and our number one doubles team, John Ebel and Don Simon, went to the state meet at Columbia. The team had good depth in Dave Tieman, Jim Durham, John Parsons, and Roger Wilson. Through the season the Statesmen defeated University City, Lindberg, Affton, St. Louis University High, and Clayton. The team dropped matches to Ferguson, Ladue, Kirkwood, and Country Day.
Due to President Kennedy's stepped-up program in physical fitness, the girls' physical education classes have been subjected to a series of tests. The tests included a 600-yard run, sit-ups, pull-ups, standing broad jump, softball throw and a 50-yard dash. The girls were placed in a percentile based on the national averages for each test. A girl must have been above the fifty percentile mark in all tests to have qualified as physically fit and to have received a certificate. Special recognition was given to those girls who placed above the eighty percentile mark in all tests.

In the three years this program has been in effect at Webster, there is already an increase in the number of physically fit girls. However, training and exercise for these tests began in the fall to insure better scores in the spring, and the girls sorely realize the need for improvement in this field.

During its forty-five years at Webster the G.A.A. has promoted "the ideals of good sportsmanship, fair play and friendship" through its active program of intramural and interscholastic sports. Points are given to girls for participation in hockey, basketball, volleyball, trampoline, badminton, bowling, and ping-pong. Letters and cups are awarded to girls who have earned 750 points or more.

Again this year, hockey proved to be a very popular sport. Intramural teams were organized early in the fall and a tournament was held among these teams. Those girls wishing to participate in class team play attended coaching sessions in addition to their intramural games. The class teams were chosen from these girls, and the varsity team was chosen from the best players on each of the class teams.

The season was only partially successful for each team as they played strong schools such as Ritenour, Normandy, and Kirkwood. Although the girls were not undefeated, they showed a great deal of stamina in carrying through a hard schedule.
This year girls' basketball was popular as ever. With changes in the rules, the game proved more exciting and far more strenuous.

After intramurals, class teams were chosen from those girls who had attended the coaching sessions in addition to the intramurals. The varsity team was chosen from the outstanding players of each class team. These teams played such schools as Kirkwood, Maplewood, and Ritenour.

On February 6, Webster was host of the annual Basketball Sports Day.

**Bowling**

The G.A.A. once again catered to the hungry crowd at the Saturday football games. In the small food truck at the edge of the field the concessionaires carried on a successful business of serving hot dogs, cokes, candied apples, popcorn, and pretzels. Their ability to work under pressure was thoroughly tested during the fast and furious half time - - an unforgettable time in the concessionaires life.
Features

Each year several seniors are chosen and honored for their outstanding contributions to school life. Those selected are of honorable character and personality. It is through their real interest in school projects that they have earned this recognition.

The James T. Hixson Award

The Hixson Award was established by the Student Council in honor of Mr. James T. Hixson, Principal of Webster Groves High School for thirty-six years. The award recognizes both a boy and girl in each of four areas: scholarship, leadership, service, and sportsmanship.

To be eligible for an award, the student must first fulfill three requirements: he must be a graduating senior, he must have at least a 2.0 scholastic average for seven semesters, and he must have been in Webster High both his junior and senior years.

In addition, there are specific requirements for each area. The final choice in each area is made by vote of both seniors and a faculty committee.

Our Editor

The credit for the most outstanding yearbook ever published at Webster High in the year of 1963 goes to OUR EDITOR. It is the general consensus that OUR EDITOR, Al Louise, has been an ideal editor.1 Who else would have been so thoughtful as to give his GIRL FRIEND the opportunity of designing pages instead of going to a show? Who else could have managed to insert "HOT-ROD" magazines inside Echo yearbook covers, giving the impression of searching for different ideas? Who else could have accomplished the look of serious contemplation while actually dreaming of sailing? Who else could have consumed so many cokes that his sponsor bought several thousand shares of stock in the Coca Cola Company? After seriously considering the aforementioned questions, the answer is obviously no one but OUR EDITOR, Al Louise.

1 Definition of editor: One who looks extremely busy while doing nothing.

Collinski Accepts Contract

Miss Ameba Collinski has recently accepted a contract with the Wha Tamouth Opera House.

Talent scouts, attending a Webster football game, spotted Ameba as she was singing the Webster Alma Mater. Her grace and dignity as well as her superb voice caught the eyes as well as the ears of the scouts. Before signing the contract, Miss Collinski requested that she should be able to take her pet white ape with her when it was necessary for her to go on tour. The scouts readily agreed as they foresaw an opening for a monkey in a coming opera, "The Jungle Cowboy."

Miss Collinski has been rated by the critics as an up-and-coming opera singer with a tremendous voice.

Meet the Staff

(Mr. Subtle caught his staff completely unaware!) The group pictured above is the renowned Echo Staff of 1962-1963. It is these young adults who have worked incessantly compiling a masterpiece, the 1963 Echo. They have all recently been honored by being chosen members of the Hall of Fame. (That is, the Hall of Fame set up by the staff of '63 to honor those who have received awards for performances above and beyond the call of duty) Thus, it is the purpose of this article to acquaint you with The Staff.

Each member will be named, and his award stated. Beginning with the TOP ROW and proceeding from left to right are: Little John, Purple Stomach,—received for selling the most advertisements to eating establishments; Thug Wagner, Broken Hand—received for writing so many sports articles; Jenny Budah, Angel of the Year; Al Louise, (See article entitled "Our Editor."); Carol Jo, (or is it Jo Carol?), Gold Key of a type-writer; Mike Genuine, Pancake Scholarship, received from Aunt Jemima; Mike Massive, Rosie Zinzer's Class Ring; Steve Push-Past, Gold Plated Manhole Cover—autographed by Barb Hemphill;

SECOND ROW going from left across the table: Good Heavens, Miss Universe,—unanimously voted out of this world; Santa and Food, Home Recker, especially of chimneys; Diane Hermin, Outstanding Psychopathic Senior;

THIRD ROW: Mawry Bowen, Miss Bird Lover,—especially of Robins; Betsy Witnit, Most Likely to be a Brownie Leader; Susie Choice, Teenager in Love; Judy Sweetheart, Bronze Nose-guard, received from Bill Southworth; Kathy Simpleton, Graduated Sine Laude; and Tea Jay, Miracle Worker.

Unfortunately a few members were not present at the time the picture was taken. They are: Ann Schmuedy, who, undoubtedly, was looking for her glasses; Cherly Goodgirl; Gail Spanish; Judy Handsome; George Emptier; Morain Cozie; Linda Luggett, and Pharmacist Shumate.
It's a Privilege

The Class of '63 has done its best to eliminate many privileges graciously bestowed on the students of Webster High.

The Vergil students were the cause of the removal of the fun pinball machines. Miss Agricola felt the money could be spent in a better way—for the Farming Fun Orphanage, for example.

Because Webster's star athlete, Silly Littleworth, was injured in competitive sports the privilege of having school teams was eliminated from Webster's activities. The administration felt that a stubbed toe could lead to even worse injuries.

Bubble gum chewing was also black-balled. This was due to the fact that in the annual Webster Groves Bubble Gum Blowing Tournament, Carson blew a bigger bubble than, well you know who! We warned her so often, too! And yet, with all these “rights” taken away, the seniors still can look with joyful pride on their greatest and best loved privilege—the Senior Lounge. Here students take refuge from the noise and bustle of the classrooms above. Here they can relax and listen to the quiet music played over the inter-com. The candy machines keep the Class of '63 one of the happiest—fat people ARE happy. Dancing is even allowed. A special area is set aside—way aside—where those who feel so inclined may dance up a storm. Many

found it difficult dancing in the small entrance way so the activity was not too popular. The candy machines are treated with loving care. No one kicks or beats on them. Yet next year the candy machines will be stored with the pin ball machines.

We are sorry, Juniors. We leave you with little but our beloved Senior Lounge Motto: "It's our duty to be bored in the classroom!" "But it's our privilege to be bored in the Lounge."

Our Spring Trip

The choice was ours—Washington, D.C., the World's Fair, New York City, Trout Lodge, Florida, Nassau, or even Europe. These and many more choices were ours in selecting just the right spot for our class' spring trip. A vote was taken. It was so close that a re-vote was made. Then, the announcement was given:—the students of the Class of 1963 would spend their spring vacation in... Forest Park.

At last a vacation that could be enjoyed by all! A beautiful, clean public park was OURS for seven solid days. The time was spent in varying ways but the mirth of the class was never daunted and the students lived a life of fun.

The transportation to and from the "Forest" (as the students fondly referred to it) was our first major problem. Judy Sweetheart solved this problem by borrowing a beautiful, red 1962 Chevrolet open-air truck from the School District. An exciting flight was enjoyed by all.

The pup tents were set up not far from the Muny Opera near one of the many ponds. Here students even walked all the way home.) All in all, the activities were recreational and extensive.

Because of a great amount of sickness and the threat of complete annihilation, the class vacation was shortened to five days. Those students who were able to make the trip home arrived triumphantly in the open-air Chevrolet truck, while those students who unable to make the trip were left behind and hospitalized soon after they were found.

In order to give the proper thanks, the class of '63 would like to know who it has to blame... er... we mean thank... for its fun trip. Anyone with any information leading to the arrest and conviction of these perpetrators will be greatly rewarded.

These silent prayers centered around the students' desires for eatible food.

The extensive recreational activities included going to the near-by zoo, going to the near-by zoo, going to the near-by zoo, and walking around the park. (Some students even walked all the way home.) All in all, the activities were recreational and extensive.

Dear Bob,

Estoy muy contenta de tener la oportunidad de agradecer la ayuda que me diste durante los primeros días, aunque no conoci a los otros presidentes del colegio, pienso que Ud. ha sido uno de los mejores, has hecho muy buen trabajo. Espero que tengas muchos éxitos en la universidad el año entrante, que practiques bastante español. Nos hemos llevado amigas las mismas que tu hermano. Te recordaré.
