High School Administration

The learning students achieved during the 1977-78 school year brought them a step closer to the goals they have established for their lives. If they have not started giving their lives direction by setting goals for themselves, they should begin now. Life without purpose can only lead to aimless wondering.

This year the administrative structure of the high school was reorganized to provide students with more personal and individualized attention. Hopefully this new arrangement has helped students either set or refine their goals.

Sincerely,
Jerry R. Knight

Turkey Day Ignites

Senior women entertain at line dance.

Turkey Day preparations this year again inspired school spirit in almost all Statesmen. Involved Statesmen decorated halls, made door posters, and arranged pep rallies to promote the event. At the rally held in Roberts Gym, the football team ate their breakfast, senior women did their line dance, and the cheerleaders cheered. That night at the bonfire, Kirk E. Wood went up in flames at the hands of the mighty Statesmen.

Excitement warms the crowd.

Joyous statesmen claim the bell.

The Turkey Day Game produced many happy statesmen, as Webster trounced Kirkwood, 28-7. Running back Thaddeus Smith scored two touchdowns for Webster, with Matt I kemeyer and Gordon Alexander each adding another. At the end of the game, hundreds of Webster fans swarmed to the Kirkwood side to claim the Frisco Bell, which proudly proclaimed Webster's victory.
Friendship Dance Proves

The 38th Annual Friendship Dance proved that there were no hard feelings between Webster and Kirkwood, as students from both schools joined together at Webster’s Roberts Gym to dance, socialize and witness the crowning of the Friendship Queens. Seven maids were chosen from various organizations and the entire school voted for the Queen. This year’s winner was Sally Wolf, a Varsity Cheerleader, who was nominated by the Football team.

A Visit To A Small Planet

Gore Vidal's science fiction comedy, "A Visit to a Small Planet," was sponsored and directed by Ron Kenney for the Fall production. The play was set in a small town in Virginia, which was invaded by a visitor from another planet. Kreton, (the visitor), played by John Starmer, caused all kinds of trouble, nothing short of another world war! The world was saved by Delton 4 when she came to take Kreton back to the place from which he escaped on their planet.

Holiday Spirit Alive At Webster

1977's Christmas activities included the canned goods drive, A Choir and band concerts, and the Christmas Assembly. The annual canned goods drive, supported and promoted by S.S.C., was a huge success, as Mr. Brucker's students took the first hour competition with an outstanding average of 41.5 cans per person. All in all, W.G.H.S. collected over 6000 cans, exceeding the goal of 2000 and almost doubling last year's take.

The Statesman band and A-Choir entertained a variety of people, performing at the junior highs, grade schools, high school, as well as for community organizations.

The Christmas Assembly consisted of performances by A-Choir, Madrigals, soloists, Modern Dance and the percussion ensemble. A-Choir’s Christmas show met the high standards set by A-Choirs of years past. Choir director, James Kessinger, produced a professional sound from the 72 member choir on such songs as O Magnum, Carol of the Bells, and the traditional Hallelujah Chorus. Molly Richardson, Modern dance sponsor, also did a fine job of choreographing the dancers' humorous and inventive performances.

Sports
Varsity football had a mediocre season, finishing with a final record of 5-5. There were several bright spots, with the defense turning in several fine performances, as well as the thrilling break-away running of Thaddeus Smith. The team suffered several heart-breaking defeats, including a 3-0 loss to Ladue, and a final second 14-7 loss to Lindbergh. In the Turkey Day epic, The Statesmen put it all together to bring the bell home for the class of '78 with a 28-7 romp over Kirkwood. Next year's Statesmen should be something to see with returning juniors such as Gorden Alexander, as well as the arrival of the tough B-teammers.

“"I think that this has been a kind of bittersweet season; rewarding in the sense that we won five games. We had several outstanding individual efforts. The bitter point is that we didn’t play well as a team sometimes. We’ll have to fault coaches, players, everyone for that."

Jack Jones,
Varsity Football Head Coach

An alert defense breaks up a pitchout.
The class of '81 finished the year with a record of 5-1. A well disciplined team, under the coaching of Don Mumm and Tom Canfield, turned in strong performances from both sides. The defense always turned in a fine performance, with great individual efforts coming from Kevin Espey, Keith Mercer, Curt Randall and Scott Andrews. The offense definitely lacked a strong aerial attack, but Quarterback Terry Jones displayed a great deal of team leadership. The fine running of Kenny Strawbridge provided for offense the punch it needed to boost them to yet another winning season.
The class of '80 continued its winning ways as B-team football team performed well this year. The great offensive talents of Joel Blunk, Clyde Reed Jr., and Andre Nelson combined with the fine defense of Brick Johnstone, Ken Buford, and Bruce Givens, as well as others, to boosted the squad to a final record of 9-1, the best sophomore record since 1963. Highlights of the season included a 35-0 victory over Affton, a satisfying 14-2 defeat of Kirkwood, and a hard-fought 28-7 victory over Lindbergh in the mud. The sophomores should provide excellent varsity material for Coach Jones next year.
"Considering we only had two seniors on the team, I'd say we had a very good year. We lost one of our seniors, Pat Diemert, our best all-around player and M.V.P. winner, halfway through the season. Nonetheless, we took second place in conference, and we would have been in good shape if we hadn't played in the tournament. We had a young team, starting a freshman and three sophomores. We've got most of our team back for next year, and our season will depend on how much our players work over the summer."

- Tom Holmes, Varsity Soccer Coach.

**Varsity Soccer Has A Bright Future**

Varsity Soccer produced another winning and exciting season with an excellent overall record of 11-8-3. Not counting tournament play, they had a record of 10-4-2, which was good enough for second place in the conference. Senior Captain Pat Diemert scored 11 goals in the 11 games he played. This included 4 goals in one game to set a new school record. Junior goalie David Shapleigh was able to keep the Statesmen in all games with outstanding goal-tending.

B-Team Soccer Reaches .500 Mark

B-team soccer finished the season with a respectable record of 7-7-2. The team felt that they could have done better, as they suffered several close defeats, including an overtime loss to Ladue. Nonetheless, B-team will have some returning freshmen to look forward to next year, as well as contributing such players as M.V.P. Kevin Buck to the varsity cause. Next year's outlook for both soccer teams is bright.

**Varsity Polo Takes Third In State**

"Not in my net, you don't," says the opposing goalie.

1977's varsity water polo team, "The Dirty Dozen", had an outstanding season, finishing with a final record of 18-5. The team started the season with a 14-13 victory over Clayton, and continued to win 14 in a row, a school record. Webster's first regular season loss came against Lindbergh, 10-9, in an overtime match. Despite three ensuing losses, their record was good enough to put them in the state tournament, where they advanced to the semifinals, and again met Lindbergh. Both teams played well, but Webster, victimized by several questionable calls, lost in sudden-death overtime, 14-13. Webster then met Clayton in the consolation game, and won, 7-6, to take third place in the state. The team's leading scorer for the year was Rick Clauser with 78 goals, followed by Dan Hemenway with 74 and Jack Witte with 45. At the end of the season, Jack was named the team's M.V.P.
Webster's B-team water polo team finished with a final record of 5-13. Although the wins were few, the team was young, and all players gained experience.

Notable victories came over Berkley, 23-4, Parkway South, 15-4, and Affton, 16-7. The team's leading scorer was Rusty Reed, with 56 goals, followed by Steve Truesdell with 50 goals.

B-Polo Struggles

Water polo players grit their teeth.
1977 was a turnaround year for the cross country team as they posted a 4-5 record. The team was better than the record suggested as many of the losses were by slim margins.

Highlighters of the season were Brian Harkins and Tom Cordeal who received medals in sophomore runs and in Conference, and John Gennari who placed eighth in Conference, qualifying him for state, where he ran twentieth in a field of 120.

Cross Country: Turnaround for '77

Running in their own meets for the first time, girls cross country completed the season without a loss! They placed first as a team in the Metro Invitational, the Windsor Invitational and the Webster Invitational. Medalists were Amy Farley, Cathy Cummiskey, Cindy Redmond, Laura Fink, Becca Watt and Liz Heidbrier.
Girls Tennis

Girls Gain Experience

The girls tennis team, in their second year, finished the season with a final record of 4-9. Although the wins were few, all the matches were tough, with league victories over Mehlville and Parkway North. Highlighting the team was Sophomore Barbie Barnes, who was undefeated in league play and took first place in the league tournament. Barbie then qualified for the state tournament in Columbia, Mo., and had little trouble making it to the finals. There she lost an excellent match to Cindy Brightfield, a nationally ranked player. Coach Elaine Dubail felt that everyone improved their talents throughout the year and the young team will emerge better and more experienced next year.

Although the girls softball team didn't produce as many victories as they would have liked, the team had a lot of fun and played hard throughout the year. Outstanding efforts came from such players as freshmen Julie Elias, Connie Sever and juniors Julie Rosemeyer, Linda Dill, and Jean Caruso. Julie Elias was named the team's M.V.P. by the Echo paper. Webster's lone softball victory was over McCluer, 15-14.

Coach Mulvihill was pleased with both of her girls volleyball teams this year. Although neither team had a fantastic season, both Varsity (5-10) and J.V. (8-5) improved their team effort 100%. Things are looking up for the young team, which now has three years in the Suburban South Conference under its belt. Two players, Maureen Rabbitt and Colleen Mulvihill made second team Suburban South All Star Team, with Toni Crocket receiving honorable mention.

Divers Still Going Strong

This year’s swim team finished the season with a final record of 4-7. Although the record was mediocre, several individual efforts stood out throughout the season. Junior Brad Racen excelled in several events, and senior Eric Mulkey placed first in the conference in the 100 yard freestyle.

While the swimmers’ performance was erratic, Webster’s divers were devastating. Seniors Steve Braun and Mike Diamond took 1st and 2nd place in every meet. Both Mike and Steve were ranked in the top 20 divers in the country, with Steve in the top five. This was the diving team’s fourth undefeated year.

Statesmen Fight Their Way To Winning Season

This year's wrestling Statesmen compiled a season record of 8-4-1. The grapplers were more adept in tournament competition than in dual meets, taking 1st in the Lafayette tourney, 1st in the Normandy quad, 1st in the Webster quad, and 3rd in the Mehlville tourney. In the state finals, Dave Cook placed 6th, Anthony Coleman placed 2nd and Martin Eason took the first place gold medal, in an outstanding match.

V-Basketball Has Tough Season

This year's varsity basketball season was dismal at best, but things seemed to be looking up for the Statesman cagers near the end. The team was quick, and featured good outside shooting, but inexperience plagued the team throughout the year. With the help of 6'8" sophomore Bill Heitman and 6'6' junior Marc Watts, along with several good sophomores, things should be brighter for the season of '78. Webster's one bright spot this year was senior Captain Rich Phillips, who showed excellent ball-handling ability and led the team in scoring, averaging 24 points a game.

B-team basketball had an excellent season. The team, composed of natural athletes, functioned well as a unit and played strong defense throughout the year.

Highlighting the year was a 2-point victory over Columbia-Hickman and a 66-63 victory over Parkway West. This year's sophomores should provide the varsity coaches with excellent material next year.

Webster’s Freshman basketball brought out so many players that they had to divide the boys into two teams, “A” and “B”. The “A” team participated in the Suburban South League, while the “B” team was in the Catholic league. Although neither team had many wins, both coaches were pleased with the effort shown by all the team members.

“'t've been fouled!”
Girls Varsity Basketball Builds For Future

It's anyone's ball!

The Varsity Girls Basketball Team had a final record of 5 wins and 13 losses this year. The team played better than their record indicates, however, losing to top-seated Nerinx by only one point, 46-45, in state playoffs. Colleen Mulvihill averaged 14 points and 11 rebounds a game to keep Webster close in many instances.

The outlook is promising for the future. Virtually the entire starting line-up will be back next year, and many players have shown enthusiasm for a summer work out program. Besides Mulvihill, Freshman, Annette Rogers will be bringing potential with her next year as the team tries to put Webster on the map of girls basketball.
Frosh And Sophomore Girls Plan To Help Varsity Team

The Girls Freshman Basketball Team pulled out a winning season this year, with 7 victories and 3 losses.

While all the girls turned in fine performances, Laura Bowe, Julie Glasglow, Brenda Bell and Betsy Wittenberg were the team leaders in scoring prowess. The most exciting game occurred early in the season when Webster put it all together as they destroyed Brentwood, 50-33.
“Let’s go big orange” was just one of the many cries that made fans take notice of the cheerleaders at Webster High School hard at work supporting our statesmen teams. Whether at a Varsity, B-team, or Freshmen sporting event, you could be sure there was a cheerleader close by.

The Varsity and B-team girls went to all football and basketball games and other home sporting events. In addition to these duties, the Varsity squad delivered food once to all teams and coaches. They also put on pep assemblies for every sport season.

The Freshmen squad covered all freshmen football and basketball games. Sponsors for the squads were Mrs. Vera Imse, Varsity; Miss Mary Ellen Mongon, B-team; and Miss Martha Lane and Mrs. Betsy Enslin, Freshmen.

Organizations
S.S.C. Active As Usual

The Student Service Council has continued to give Webster High a bright new look. They were responsible for the T.D. buttons, bonfire and pep rally. They also did a fine job of sponsoring dances and candy sales throughout the year. Their sponsors were Pat Voss, Larry Horak, and Gary Hutchinson.

Jean Lamming is forced to WORK.

Carolyn Kline pays close attention while discussing plans at Junior S.S.C. meeting.

S.L.B.: The Organizing Organization

The Student Legislative Board was in charge of the student organization programs. It regulated organization activities and layed down rules by which the organizations were to follow.

S.L.B. was sponsored by Mrs. Sue Gettle with 16 active members that participated in electing a president each quarter.

The Students for Action and Awareness club held their annual talent show on December 16, 1977, under the direction of sponsors Mrs. Nell Cheatham, Mrs. Sandy Grady, Mr. Carl Stallings and advisor Mr. Charles Daly.

From twenty performing acts three winners were chosen. Debbie Whitlock won first place, The Essens received second place honors and third place went to Pam Hubbard, Lavonne Sheppard, and Butch Thomas. The background and decorations were designed by S.A.A. officers and Mrs. Cheatham's art classes.

The money raised was used for scholarships awarded to three seniors who maintained at least C averages, and who wished to attend college but needed financial aid.

The S.A.A. also sponsored a fashion show and dance in the spring.

The entertainment at the talent show was definitely not of the usual variety.

A.F.S. Members Experience International Delights

As one hungry pasta-lover exclaimed at the A.F.S. Spaghetti Supper, "That's a lotta mozzarella!" The eatins were indeed enough to satisfy the hungry bunch on November 4 as well as for the pot luck supper guests in December. Contrary to what an outsider might suspect, the American Field Service does not spend the entire year teasing their tastebuds with delightful, foreign cuisine. Mary Kausch, Karen Sharp, and Cindy Calvin were three hard-working juniors who served on the decorating committee as well as acting as representatives to the S.A.B. meetings. The whole club worked hard to sponsor the senior exchange student from Paraguay, Betina Chevas, and to make her stay in St. Louis with the Hohorst family as enjoyable and natural as possible. Webster Groves members meeting with other high school students also involved with A.F.S. on November 4 was beneficial, while the hayride in May was a relaxing change of pace.

Pom-Pons Energize Halftime

Performing to a variety of songs by the Marching Statesmen Band, the Pom-Pon girls entertained the fans at football and basketball games during halftime. The enlarged squad was a reflection of the rise in school spirit at Webster this year. Turkey Day performances and a ten mile walk in the rain for new uniforms helped boost the Pom-Pon squad's spirit. Melissa Lycan led the squad under the sponsorship of Mrs. Lucille Rock.

Wild Thespians
Keep Acting Crazy

The lights dimmed in the Little Theatre and the audience settled back into their seats. While anticipating yet another sensational show, they were also contributing to the combination of receipts from this year’s wide variety of Thespian activities which included a thrilling haunted house and bake sale. This financed the Thespian’s trip to Muncy, Indiana where they participated in the Regional Thespian Conference. Enthusiastic Thespian Troupe 191 supported all the efforts of faculty advisor Ron Kenney and outstanding officers to stage fund raising activities.
Modern Dance Kicks Out The Jams

Talented students experienced the excitement of performing and putting sincere effort into a production, while having fun at the same time in the Modern Dance Club. The techniques learned enabled members to invent their own individual dance styles, as well as to vent imaginative energy. The success of these combined creations, plus the leadership of Molly Richardson, was demonstrated in each of the club’s seasonal public performances.
Art Club

Art Club surprised students this year by sponsoring a costume contest for students. The Club also gave a Christmas Bazaar with gifts for sale, and went on class trips to various art galleries. The Art Club was sponsored by Mrs. Bradley and had a Board of Directors consisting of L. Blair, J. Truesdell, D. Washington, and J.B. Lewis.

Literary Arts Gets Down To Business

"Spirit" seemed to be the underlying theme in the Literary Arts Club's activities as each and every member tried to meet the deadline for publication. Sifting through the imaginative works of talented writings and photography they received, students found it hard to determine which works they would use for the POTPOURRI. Mr. Rodabough helped them pull through to the seemingly unreachable end.

Jazz Band Doesn't Beat Around The Bush

Any self-respected band from St. Louis, the heart of jazz country, needed the kind of finger-snapping technique that the Webster Groves Jazz Band provided. With Mr. Pat Hanley's leadership as director, the band's incredible talent developed each individual show into a performance well worth attending.

Webster Community Campus students had a variety of experiences while working at learning stations. Two or three hours each day students volunteered to work at various jobs. Echo Paper Staff Maintains High Journalism Standards

Thirty-one promising students put an unlimited amount of time and effort into publishing Webster High's bi-weekly Echo newspaper. Business Manager Barry Copeland possessed the drive needed to sell the Echo! Under the supervision of advisor, Mrs. Susan O'Connell, co-editors Laurie Blair and Barb Weaver slaved and sweated through each deadline. Yearbook Turns
A New Leaf

Most of this year's Echo yearbook staff found working on the yearbook a totally new experience. Under the direction of co-editors Kim Landry and Jayne Guenther, half of the twenty students on the staff had never worked on a yearbook before. The drive of the new faculty advisor Ron Carr working together with the eagerness of the staff to do their best resulted in the success of overcoming their inexperience. This drive added to long hours spent after school working on layouts resulted in the successful meeting of every deadline.

In years to come, students and faculty members will want to remember their highlights and experiences spent at Webster, whether it had been meeting new situations or new people. Our staff has attempted to achieve this goal in the best possible way. The 1978 Echo has been produced to help the unfamiliar MEET THE STATESMEN.
