Terri Micotto
That Frommelt kid again.
Terri Micotto     Travis May
From Cross Country to Baseball. These two are dedicated to what they do. They are charismatic, sociable, and have all the qualities that make people successful.

Photography, Sculpture, Ceramics, and Drawing and Painting are the areas of concentration for these three Art Students. Claire likes to draw and paint. Christian takes that very special photo, while Caroline has her own style working with clay.

Devon Dace     Lisa McDonald
Devon came to WGHS as Junior and is a starter in 3 sports as a senior. Lisa has participated in Soccer and Softball since her Freshman year.
With their success in advanced placement classes and their unique dedication to meeting their high goals, Katy and Akira deserve the title of Most Academically Focused.

Cheerleading, Track, Student Council, Props, Plays, and Thespian are only some of the activities that our most involved seniors have participated in over the 4 years at WGHS.
Class Picks. The senior class honored class members with special recognitions.

**LIFE OF THE PARTY**

**MOST STYLISH**

Grace Spradling & Greg Galganski

Hannah Greene  Wendie Kogel  Sean Buchanan
In school or at out-of-school activities, this dynamic three-some likes to have fun and can always be counted on to be the life of the party.

**PRETTIEST EYES**

Rachel Meeks  Nick Koscielniak
Born with the Best Eyes in the Class of 07
Mike Flieg
No one can interrupt a class and end up making the teacher laugh like our choices for Class Clowns. Their charismatic personalities and never failing sense of humor will never escape our memories.

Annie Bouvatte

MOST SPIRITED

Brian Arnold Alyssa McFarlane Scott Norton
From Goth to Cheerleading to Hollister. From long hair to cross country. From quiet to outgoing. All of us have changed over 4 years. This three-some was voted most changed by their peers.

Evan Jordan Lauren Daly
Tailgating at games, Stats, 6th Man Club. These two are so Pro-WGHS and pretty perky. The Class of 07 says they are the Most Spirited

The start of the 06/07 school year was interrupted by the destruction and repair of the sewer system on Selma Ave. The Metropolitan Sewer District started sewer replacement on Lockwood Ave during the 05/06 school year. That work began west of the Webster Groves Library at Glen and proceeded east towards Selma. Traffic was re-routed around that work and was an annoyance for the entire year.
The 06/07 school year began with the replacement work making the turn south onto Selma and towards the high school. Selma was blocked off for through traffic for the first three months of school. Parking, bus routes, and daily routines were adjusted and shifted. Things did not return to normal until after Thanksgiving. Repair crews put the street back together just before the first major snow storm of the season struck on the final day of November.

The 06/07 school year began with another construction project underway with the renovation of Roberts Gym. The whole process started with the complete gutting of the gym.

Proposition V funded the renovation of Roberts Gym. It was the first renovation of the gym since it was built in 1946. The gym received a much needed acoustic tile and sound system. The lighting in the gym was markedly improved, and the gym received a new floor. Automatic basketball backboards were added, as well as automatic bleachers. Locker room renovations are next.

This year's Cross Country team was running strong. With three team leaders and front runners from last year gone, the team looked this year for people to step up and take the lead. It was a struggle as a team.

Many individuals had breakthrough seasons setting personal records along the way, such as Timo Lind, junior who holds the second Varsity spot on the team. The team has a few Cross Country State Championship hopefuls including Senior Brent Donovan who stated, "Cross Country is a physical sport, if someone wants to get physical with you you just gotta give it right back to them."

Veterans Day
November 10, 2006

For the second consecutive year Mr. Verstraete and the Social Studies Department hosted a celebration on Veterans Day to honor ALL WHO SERVED. Throughout the course of the day over 50 veterans from all time periods and branches of service visited Social Studies Classes and shared their experiences and stories with students and staff. Most importantly they have given us perspective on why we celebrate Veterans Day.

Members of the Social Studies department and students escorted the veterans around the school and made our guest feel truly welcomed and honored.

Mr. Verstraete welcomed the veterans at a breakfast in their honor and gave the group their directions and instructions for the day.

A very special lunch was prepared for the veterans and they were able to come together as a group and share their own experiences among themselves. Some veterans were parents and grandparents of current Webster students. Some staff member's parents were among the group guest. There were numerous Webster staff members present who are veterans of the Army, Navy, Marine Corp, and Air Force. They were honored as well.

Veterans made presentations in various Social Studies class throughout the day. They had memorabilia, videos, and slides. Their stories and experiences were the most valuable things presented to the students.
Dr. Clark and Mr. John M. Thomas welcomed the presentors and provided instructions for the day.

On Career Day students had the opportunity to listen to presentations from professionals from a wide variety of occupations. Those professions included law enforcement, education, architects, lawyers, electricians, photographers, and many more. Students selected 3 sessions to attend from a list of occupations.

The professionals were treated to a Continental Breakfast and were then escorted to their respective presentation sites by students from the Business Department.

Mr. Steve Adams from Adams Photography conducted a Photography session in the Little Theatre.
Halloween

Not only do the students of the high school get into the mood for Holloween, the biggest thrill of the day is when Ms. Stromberg's Day Care kiddies travel around the campus and Central Office to do their annual Trick or Treat visits to select classrooms.
The first month of school is always capped off with an Open House, for parents to visit the school and get acquainted with their kid's teachers & classes. The evening begins with the members of the Parents Club and the Principal meeting with parents in the auditorium. Parents then have the opportunity to walk their kid's schedule, meet their teachers, and tour the building.
On November 9, 10, and 11th, hundreds of people flocked to Knight Auditorium at Webster Groves High School, expecting to see just your average high school play, but what they got was far more than that. From the moment the lights went out to the curtain call, the audience was mesmerized by the wonderful acting, singing, set design, and countless other aspects that made this year's play truly great.

Guys & Dolls takes place in New York City during the 1920's, a time when gamblers ruled the street. Nathan Detroit (Jack Bourgeois) wants to continue ‘the oldest established permanent floating crap game in New York’, but in order to have a place to play the game, he needs $1,000. To get this, Nathan bets Sky Masterson (Chris Sears) $1,000 that he can’t take mission leader, Sarah Brown (Robin Lane), on a trip to Havana. Nathan must also get past his fiance of 10 years, Adelaide (Maggie Windler), who does not approve of his gambling, Police Lieutenant Brannigan (Jim Shoulberg), and countless other obstacles to get the game on it’s way.

An All-Black High School opened in North Webster in 1928 to serve the educational needs of Black students in this entire St. Louis metropolitan area. That school was Douglass High School. The segregation laws of that time required that school districts provide separate but equal schools for Blacks. The Supreme Court decision 'Brown v. Board of Education' prompted the closing of Douglass High School and a merger of those students with Webster Groves High School. The last class to graduate from Douglass High School was the class of 1956. The first class at WGHS to have Black students was the Class of 1957. The class of 2007 will marked the 50th year of the joining of the two schools and the two Webster communities. The school colors were Purple and Gold and the mascot was the Panther.
To commemorate the occasion the Boys Varsity Basketball Team wore Commemorative Purple and Gold Colors during the game against Parkway West on February 2, 2007. The Cheerleaders also wore Purple and Gold uniforms and performed cheers “Go Panthers”.

The high point scorer of the game was Mike Whittier (00), whose grandmother, a Douglass Alumni, was present for the game and commemorative activities.

Jerome Nelson, R.D. Barrett, and Jack Nelson were members of the 1955 Championship team.

The Douglass Basketball Team was a championship team. They won the State Negro League Championship in 1955, the last year of that event. Several members of that championship team was in attendance and were recognized during half-time of the game.

A large contingent of Douglass Alumni were also present in the audience and were also recognized during the half-time program.

The Cave
Each year Mr. Throm and his Art students construct a Prehistoric cave in the Art Hallway/Gallery. This year’s group, the “Cave Dwellers”, are his Art History Students. They added illustrations of cave paintings of prehistoric and modern day objects. The construction of the cave required the use of butcher paper which had to be treated with a fire retardent chemical. Students using the Art hall way passed through the cave daily. Visitors to the high school found it fascinating.
In Mrs. Westhoff’s Foods Class the project for the day was Cinnamon Rolls.

2007 ECHO

Thank you to all of the students, teachers, administrators and staff at WGHS who assisted in the production of this year’s book by providing photos, identifying students, setting up shooting sessions, and providing the support that was needed. This book was created using Adobe InDesign CS and Adobe PhotoShop. Our production run was 850 and the majority of that number was sold by pre-sales. Warwick Photography produced all of the Senior Class Pictures. They also provided all of the Sports Team pictures and photos from some events and dances. Lifetouch Photography supplied the underclassmen pictures. A special thanks goes to Liz Cox, our Herff-Jones Yearbook Advisor. Herff-Jones printed the book.

We hope you enjoy this full-color pictorial representation of what the 2006/2007 school year was like at Webster Groves High School.

Special thanks to Libby Massa for her hard work on special parts of the book.

We developed a fondness for Tootsie Rolls and Laffy Taffy (ha ha).

We also want to acknowledge the 100th Year Anniversary of Webster Groves High School and the former Douglass High School.
