Senior Line Dance 1992

THIS is what it's all about!
The 1992 Football Statesmen finished their season with a remarkable 9-1 record, but more importantly, they brought the Frisco Bell back to the halls of WGHS.

Donated by the Frisco Railroad Co. in 1952, the statesmen proved that possession of the bell was one honor Kirkwood didn’t deserve. Despite the cool temperatures, supporting students, faculty, alumni, relatives, and friends from neighboring communities still packed the stands of Moss Field and awaited the 77th Annual Webster-Kirkwood Turkey Day Game.

With the crowd roaring, and the players all fired up, the sound of victory rang with the Statesmen winning 8 to 6 over the Pioneers.

THE PURPOSE OF SAA

In the late 60's, here at Webster Groves high school, students developed a new awareness about the plight and status of the black American. What emerged was a new club called Students for Black Awareness and Action, to identify and address the needs of black students in this high school.

This club focused on relevant issues of that time, such as: the importance of learning black history, the need for establishing a school scholarship fund to assist the black students attending college, the need for black students to be able to unite as a group and intelligently discuss ways of coping with the overcoming of discrimination in society.

As a result of the commitment of the members and sponsors of this organization in its early stages, significant gains were made for black students at this school. Through the years, the emphasis of this special club changed a bit as progress was made. In the mid-seventies, the club was renamed Students for Awareness and Action (SAA).

Today, SAA's purpose is basically the same as the original group. It continues to stress political awareness and academic excellence (as encouraged by awarding scholarships and offering tutorial assistance).

Students who meet the requirement of having a 3.75 Cumulative grade point average for five or more semesters are invited to apply for membership in The National Honor Society. They are also evaluated on service, leadership, and character. The NHS traditionally hold an annual blood drive.
ART CLUB

The Art Club. A cast of thousands, hams it up for Halloween.

If you are interested in art, the Art Club offers many opportunities to visit colleges, participate in painting window displays, view great works of art, and meet with other like-minded individuals. Anyone can become a member. The club is affiliated with the National Art Honor Society and offers college scholarship opportunities. Representatives from all over the country visit and interview students. This year the club took two trips to Art Institutes. The 1993 ECHO YEARBOOK STAFF produced a yearbook that required their involvement from start to finish. We have to admit that there is a great deal of work and frustration involved with putting together a yearbook that would represent the entire student body of Webster Groves High School. We heard the concerns and tried to address them. We tried to provide more photos and candid snapshots of student life. We also wanted to provide more space in the book for signatures and autographs for your friends. You will find some mistakes, but we have learned from those mistakes. Next year's book will be even better.

Good Luck, Fello Babes!
